Regulating Autonomy: Sex, Reproduction and Family ...

These essays explore the nature and limits of individual autonomy in law, policy, and the work of regulatory agencies. The authors ask searching questions about the nature and scope of the regulation of 'private' lives from intimacies, personal relationships, and domestic lives to reproduction.

Reproductive Autonomy and Regulation: Challenges to ...

Feminist thought has long grappled with the concept of autonomy, questioning for instance, whether it exists, how far it extends, and what is the nature of its relationship with liberal notions of atomised, self interested individuals.
